

We are excited to announce the 2022 Conference will be a Conference at Sea!

The CT Host committee has secured space aboard the Oasis of the Seas. The Oasis of the Seas is a venue that really has EVERYTHING! The Oasis has a Conference center with a capacity of 400 conference attendees. The CT Host Committee plans to offer 24 Credit hours while onboard. Also included in the conference is all meals, all entertainment, and all drinks making the cruise a much better value than our typical conference. Highlights of the things to do on the Oasis include 23 different dining options, 11 different bars, a comedy club, ice skating rink, mini golf course, waterslides, rock climbing walls, surf simulators, zip line, escape room, 4 pools, 10 whirlpools as well as multiple entertain venues for shows and music. The Oasis really has it all!

Prices for the conference will start at \$1,400 (before July 2021). That price includes 24 credit hours of education, all meals, all drinks, lodging, and all entertainment.

With a cost per credit hour of about \$58 this is actually a much more affordable option than many other NRAAO conferences and much more affordable than an IAAO conference. Unlike most conferences there are **NO** “meals on your own” and the conference at sea has the added bonus of stopping at a couple of tropical islands
